**Responsibilities:** Develops and executes business plans designed to enhance MSREA's goal of providing property management services

**Years at Company:** 8 **Years in CRE:** 22

**Accomplishments:** Mathews oversees MSREA as it develops an impressive client base of institutional clients — insurance companies, pension fund advisors and real estate developers. These entities make use of the company's expertise in managing complex mixed-use projects. These include the commercial condominium/owners associations, which are a part of such projects as Scottsdale Waterfront, Market Street at DC Ranch, Centerpoint on Mill and Kierland Commons. Additionally, MSREA has been successful in managing traditional retail, office and industrial projects. Over the past 24 months, MSREA has successfully assisted several of its clients through the challenging process of restructuring CMBS loans.
